Request promo

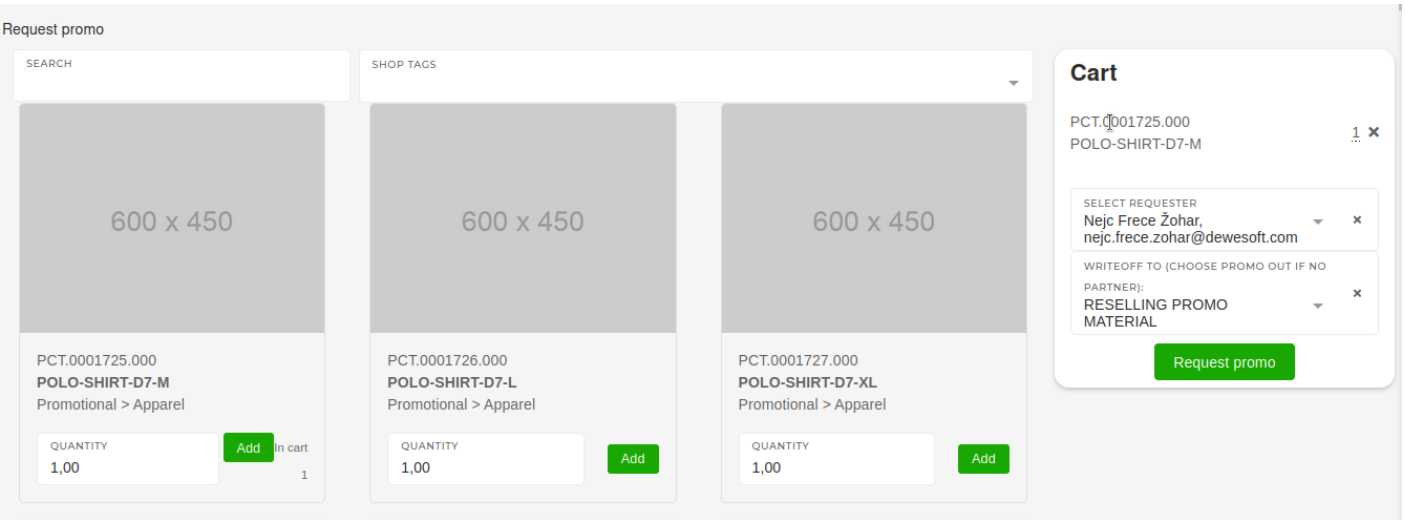

> To access this page, the **"request promo"** permission is required.

On this page, users can create promotional material orders for themselves or other users.

> This page only lists products of types **Prints** and **Promotional products** with attached shop tags.

To add items to the order, click the **"Add"** button next to the product, the items and their set quantity will be added and displayed in the cart. The item quantity can then be changed from the cart, if needed.

Once all items are in the cart, select the requester user and the right promo warehouse. Once all that is selected, clicking the **"Request promo"** button will create a promo order, which will then get processed in the warehouse.
