

# My Tasks

The "My tasks" section shows a table of tasks, assigned to you. You can also use the search on the right top side of the table to search for specific tasks in the table. Next to the search is also the refresh tasks section button.

[illegible]

You can press the start button and you will be redirected to a task's page or it's corresponding page in process manager.

Users with the right permissions can also create new tasks and material requests.
