Changelog

- **Advanced Currency Handling:** Added a "Price Lists and Currencies" section to Quotes, featuring automated exchange rate updates and support for transfer price conversions.
- **Enhanced Invoicing:** Redesigned the invoice creation window to allow for selecting specific item quantities and syncing previously invoiced totals from the original order.
- **Improved Lead Management:** Added column sorting to the "Open Leads" dashboard widget and improved the display for when no leads are available.
- **New Production & PDF Options:** Introduced a "Single piece flow" setting for CNC work orders and a new option to hide the "Scope of Supply" on PDF documents.
- **User Experience Improvements:** Enabled the ability to copy SKUs and document titles to the clipboard by clicking on them, and added a "Delivery Expected" date field for service upgrades.
