- **Delivery Notes:** You can now quickly fill in shipping details by selecting an address directly from a partner's profile.
- **Email Client:** The subject line is now a required field when composing new messages.
- **Credit Notes:** Added the ability to include a handling fee when generating a credit note from an invoice.
- **Data Tables:** Added a toggle feature in table headers that allows you to switch between showing only the date or both the date and time.
- **Stock Bids:** Updated the confirmation message to clarify that payments for share bids are due by the end of the trading window.
