Here is the changelog for version 1.703.0:

- **Easybill Integration:** You can now send contact and invoice information directly to Easybill from the Account, Partner, and Issued Invoice pages.
- **Carton Label Printing:** Added the ability to print labels for small and large cartons directly from work order item lists and reservation tasks.
- **Quantity Validation:** The system now warns you if a product quantity does not evenly fill a whole carton before you attempt to print labels.
- **Improved Tax Info Display:** Updated the visual layout for tax registration details (EOR, ZOI, and QR codes) on issued invoices for better clarity.
- **Automated Issue Management:** Linked issues are now automatically marked as closed when their associated tasks are completed and merged into a release.
