

2026-10-06

- Introduced full support for RT licenses and RT software products throughout the system.
- Added the ability to view and track RT license keys directly within serial number records and inventory lists.
- Enhanced the product configurator to manage RT-compatible systems and specific software requirements.
- Updated quotes and sales orders to clearly display included RT software, packages, and options.
- Improved the license linking process to automatically distinguish between standard and RT license types for serial numbers.
