

Create New Entry

This example uses the Create new product form.

A new entry (or a new table row) can be added by navigating to the **"create new"** form, accessible by pressing the "+" button in the top right of the page (if the button is present).

Products				Search...	+				
	SHORT NAME ^	PRODUCT TYPE	PRODUCT CLASSIFICATION	ACTIONS					
	#####SIBIIIS.SROYE.DC.BO&PD.V1	Material	Circuit						

This takes you to the **"Create new"** form page.
