

Delete HR department

This action requires the "**Delete hr departments**" permission.

To delete an HR department, you can click the "**Trash**" icon on the row of the department.

The screenshot shows a table titled "HR departments" with the following columns: NAME, LEAD, PARENT DEPARTMENT, WORK POSITION, and ACTIONS. There are four rows of data. The first row is "Testers" with lead "John Doe" and position "Tester". The second row is "Testers - new". The third row is "Testers - new2". The fourth row is "Testers - temporary" with lead "Jane Doe" and position "Testers". Each row has a checkbox on the left and three icons (edit, trash, delete) on the right. Below the table, it says "Showing 1 to 50 of 4 entries | Show 5 10 25 50 100 per page".

<input type="checkbox"/>	NAME ^	LEAD	PARENT DEPARTMENT	WORK POSITION	ACTIONS
<input type="checkbox"/>	Testers	John Doe john.doe@testers.si		Tester	
<input type="checkbox"/>	Testers - new				
<input type="checkbox"/>	Testers - new2				
<input type="checkbox"/>	Testers - temporary	Jane Doe jane.doe@testers.si	Testers		

Showing 1 to 50 of 4 entries | Show 5 10 25 50 100 per page

Although HR departments can be deleted, this should generally be avoided, unless the department has been completely phased-out, in order to maintain data traceability in the HR module.
