Delete goods receipt

> This action requires the **"delete goods receipt"** permission.

Goods receipt **cannot be deleted directly**, due to the stock transactions that are connected to them. Because of this, **goods receipt need to be canceled first**.

> Goods receipt with no stock transactions, such as "**Failed**" receipts, can be deleted without being canceled first.

Once a goods receipt is "**canceled**" and there are no existing stock transactions tied to it, it can be deleted from the table.
