

# Performance review

The **Performance reviews** section contains a table list of all your performance reviews with their information.

The table list has five columns in the following order: **Type**, **Work position**, **Salary changed**, **Interviewer** and **Created at**. You can filter this list of reviews with the three preset filters: **Waiting for you**, **Coworker finished** and **Finished**.

The screenshot shows a web interface for 'Performance reviews'. At the top, there are three filter buttons: 'Waiting for you' (yellow), 'Coworker finished' (green), and 'Finished' (grey). A search bar with the placeholder 'Q Search...' is on the right. Below the filters is a table with the following structure:

1	Work position	Salary changed	Interviewer	Created at
2022 Additional			Milanka Vrtačnik	11/3/2022

Once per year, you will be notified to solve a questionnaire for your yearly review, that will appear here.

Revision #3
