Stock

The stock section is a informational page that displays a dropdown, named **Fixed assets equipment** that also shows **Quantity** (count of all your assets) and **Amount** (monetary value of all your assets) on its right side.

On clicking the dropdown, a table of all fixed assets equipment, that is assigned to you, the logged-in user, is shown.

The table has 6 columns, shown in the given order:

- **SKU:** The system id of the asset.
- **SHORT NAME:** A shortened name of the asset.
- **NAME:** The full name of the asset.
- **QUANTITY:** The quantity of the asset, that's assigned to you.
- **SERIAL NUMBER:** A button that lists all serial numbers (with their item names), that are assigned to an asset.
- **AMOUNT:** A monetary value of an asset.
