- [Delete user\(s\)](#)

Overview

Users are the core of the ERP system. All non-system actions and tasks are performed by users with proper permissions.

Create a new user

New ERP users should only be created by users with administrative or HR authorizations.

To create a new user, click the "+" button in the top right corner above the table. You will be redirected to the "Add new user" form

Update an existing user

Users should only be edited by administrators or members of the HR department with proper permissions.

Updating the user is done by finding the user in the "[Users](#)" table and its clicking "Edit" icon.

<input type="checkbox"/>	ID ▾	FIRST NAME	LAST NAME	EMAIL	COUNTRY	ACTIONS
<input type="checkbox"/>	19322	John	Doe	john@doe.com		 

This redirects you to the user's edit page, where you can update most of the user's basic information (photo, name, address, authorization, contact information...) or send a "**Password reset**" email to user.
