

Update an existing user

Users should only be edited by administrators or members of the HR department with proper permissions.

Updating the user is done by finding the user in the "[Users](#)" table and its clicking "Edit" icon.

<input type="checkbox"/>	ID ▾	FIRST NAME	LAST NAME	EMAIL	COUNTRY	ACTIONS
<input type="checkbox"/>	19322	John	Doe	john@doe.com		 

This redirects you to the user's edit page, where you can update most of the user's basic information (photo, name, address, authorization, contact information...) or send a "**Password reset**" email to user.
