

Transferring a fixed asset

This action requires the "**Create goods transfers**" permission.

Transferring a fixed asset can be performed like a normal goods transfer.

To transfer a fixed asset, open the "goods transfer create form" from the goods transfers table.

DESCRIPTION
Enter description

☐ After save, create another

Open the items form and select a "**Fixed asset**" product. Once the target warehouse location for the transfer is selected, the "**Cost center**" and "**Cost center DW3**" fields will appear.

Fixed asset is, in this example, an umbrella term that **includes** products of type: **Fixed Assets Equipment, Fixed Assets Land, Fixed Assets Inventory, Fixed Assets Building, Fixed Assets License, Fixed Assets Building investment.**
